

VOLUNTEERS NEEDED!

Become a Volunteer!

Domestic violence is a leading cause of homelessness. Help save a life.

The Domestic Violence Program (DVP) is primarily an emergency shelter program with a focus on safety and housing. The shelter provides safety for domestic violence survivors and their children in a confidential location separate from other Crossroads properties.

The domestic violence program also includes transitional housing and a 24-hour helpline. Clients have access to Crossroads Rhode Island's range of services, including basic needs assistance, education and employment services, and intensive case management, while they work to find a secure and stable home.

Other Volunteer Opportunities Available:

- On-Call Interpreters

- Offer your skills in hair styling, massage, make up artistry, etc.
